

THE BUSH CLUB INC.

Covid 19 Policy

1. Where a member tests positive for Covid 19 they should not attend Bush Club activities until they are free of Covid symptoms
2. Following abatement of symptoms, members should always consider if they have physically recovered and are able to complete the relevant activity.
3. The Committee will support leaders who wish to have specific Covid isolation periods specified as part of their activity. Any such conditions will be specified in the activity description.
4. Vaccination requirements remain unchanged as currently specified by individual leaders.
